Docket No.: CITI0028  
Application No.: 09/077,456  
Supplemental Amendment

April 18, 1997, now International Publication Number WO 97/41498, published

November 6, 1997. --

## II. REMARKS

Reconsideration of this application is respectfully requested in view of the foregoing amendments and the following remarks. In a November 14, 2000 phone conversation, the Examiner requested an amended version of the Cross-Reference to Related Applications section, which was previously submitted in the August 30, 2000 Amendment and Response to the Office Action mailed June 7, 2000. The above amendment to the specification corrects a typographical error in the prior submission, as well as making further reference to the provisional application number.

## III. CONCLUSION

Should the Examiner determine that any further action is necessary to place this application into better form, the Examiner is encouraged to telephone Jim Bindseil at (704)338-5090, or the undersigned representative at the number listed below.

Respectfully submitted,
